

Good Manufacturing Practice Guide Table of Contents

CHAPTER 1. EXECUTIVE SUMMARY	6
CHAPTER 2. INTRODUCTION.....	10
Quality Assurance in Drug Manufacturing and Testing	11
Corporate Responsibility for GMP Compliance.....	12
CHAPTER 3. INTERNATIONAL REGULATIONS GOVERNING GMP	16
Chronology and Current Regulations.....	16
International Conference on Harmonization	25
World Health Organization	26
Comparison of the Regulations.....	28
Differences between Regulations	33
Definitions	36
CHAPTER 4. STANDARD OPERATING PROCEDURES	39
What are Standard Operating Procedures	39
Guide to Writing SOPs.....	40
List of Basic SOPs for All Facilities.....	47
CHAPTER 5. VALIDATION OF SYSTEMS, PROCESSES AND METHODS	58
Process Validation.....	58
GMP Requirements for Validation.....	58
Validation throughout the Facility.....	59
Current Process Validation Methodology	59
Process Analytical Technology (PAT) and Validation.....	60
The New FDA Draft Guidance.....	61
Validation Planning.....	66

Equipment Qualification for Process Validation	69
Guide to the Performance of Validations	74
Points to Consider in Selected Validations	75
Analytical Method Qualification and Validation.....	94

CHAPTER 6. CRITICAL COMPLIANCE ISSUES FOR ACTIVE PHARMACEUTICAL INGREDIENTS AND DRUG PRODUCTS..... 98

Organization and Personnel (Subpart B, §211.22 - 34)	99
Buildings and Facilities (Subpart C, 211.42 - 58)	103
Equipment (Subpart D §211.63 - 72).....	109
Control of Components, Containers and Closures (Subpart E, §211.80 -94)	115
Production and Process Controls (Subpart F, §211.100 - 115)	121
Packaging and Labeling Controls (Subpart G, §211.122 - 137).....	130
Holding and Distribution (Subpart H, §211.142 - 150)	134
Laboratory Controls (Subpart I, §211.160 - 173).....	135
Records and Reports (Subpart J, §211.180 - 198).....	145
Returns and Salvaged Drug Products (Subpart K, §211.204 - 208).....	160
Note on GMP Requirements for Phase 1 Clinical Trial Materials	160

CHAPTER 7. CRITICAL COMPLIANCE ISSUES FOR BIOLOGICALS 163

Establishment Standards (Subpart B, §600.10 - 15).....	164
--	-----

CHAPTER 8. ICH MANUFACTURING DOCUMENTATION 179

The CMC Section According to FDA.....	180
ICH Modules 2 and 3	181

CHAPTER 9. INTERNAL AND EXTERNAL INSPECTIONS 187

Self-inspections.....	187
Internal audits	189
Regulatory Inspections – FDA’s New Approach.....	190

Establishment Inspections – the Six Systems Approach.....	192
Surveillance and Compliance Inspections.....	195
How to Survive Inspections.....	200
Preparing for the inspection.....	201
The Most Common Form 483 Comments.....	210
FDA Enforcement Procedures.....	212

Appendix 1. FORMS FOR THE PERFORMANCE OF INTERNAL INSPECTIONS.....	215
Appendix 2. FURTHER READING	242
REFERENCES.....	246
